What Our Students SAY ABOUT US?

VIDISHA WANI
GRE: 320/340

The entire process of studying for the GRE seemed very daunting at first, but Inspirus Education made it a lot easier. Its faculties paid individual attention and they were always available for any kinds of doubts or questions. It made my preparation for the exam a smooth and relatively stress-free experience. The study material was comprehensive and similar to my actual test. Would like to thank all the faculty members and my GRE Mentor for their help and guidance and for always being there to solve my queries.

RUDRESH PANCHAL
GRE: 334/340

Inspirus Education has been extremely helpful throughout this entire journey of the GRE. From guidance regarding the material to be followed, tests to be taken, etc. everything was up to the mark. Not only was the access to the GRE tests at Inspirus unprecedented, but also the feedback received from the faculties in various forms was extremely helpful. I would like to especially thank my GRE Counselor for her guidance and advice. My score wouldn't have been possible without the whole Inspirus team.
