What Our Students SAY ABOUT US?

“ **AMAN ARORA**
GMAT: 730/800

I would like to start off by thanking my teachers and counselors at Inspirus for providing me such great GMAT Coaching. It was because of the training regimen devised by them that I was able to do well on the GMAT. What I found most commendable was the flexibility I was afforded at Inspirus. I got to finish my classes and take a 5 month hiatus and then resume my training again. I doubt too many other institutes would be as accommodating. Also, the Inspirus classroom was available any time I chose to study or take a test there. There are a lot of books and other study materials available at Inspirus as well which were all quite helpful. My entire program happened at the pace I was most comfortable with. I owe a large part of my score to Inspirus.
